Appropriations Committee Testimony
Legislative Office Building, Room 2702
Hartford, CT 06106-1591

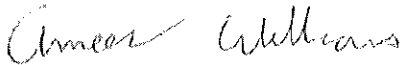

To whom it may concern;

I am writing in support of keeping the STRIVE program in the Department of Labor Budget. The STRIVE program has been a staple in the community for over twelve years, and statewide has served thousands of individuals. I personally graduated the program in 2010 with cycle 102, and can tell you firsthand that I would not be as successful as I am today without the assistance of STRIVE. Not only did I graduate this wonderful program, I also was hired by STRIVE in May 2012 as the Training Specialist. I have seen this program transform people and motivate people. This program has instilled confidence in people.

With an extremely lean budget, and a proven track record of success, it would be foolish to cut a program that yields such high results. I understand that many tough decisions need to be made, and I do not envy your position. With a low cost, high impact program such as STRIVE, I believe it would be extremely unwise to cut their funding. I strongly encourage you to fight to keep STRIVE in the budget.

Thank you for your time and consideration. Please contact me at the information below with any questions or concerns you might have.

Sincerely,
